## A BILL

To ensure that the prescription drug monitoring program of each State receiving funds through the Account for the State Response to the Opioid Abuse Crisis meets certain minimum requirements, and for other purposes.

1       *Be it enacted by the Senate and House of Representa-*  
2       *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4       This Act may be cited as the “Monitoring and Ob-  
5       taining Needed Information to Track Opioids Responsibly  
6       Act of 2017” or the “MONITOR Act of 2017”.

1   **SEC. 2. MINIMUM REQUIREMENTS FOR STATE PRESCRIP-**

2                   **TION DRUG MONITORING PROGRAMS.**

3                 Section 1003 of the 21st Century Cures Act (42  
4 U.S.C. 290ee–3 note; relating to the Account for the State  
5 Response to the Opioid Abuse Crisis) is amended—

6                 (1) by redesignating subsection (f) as sub-  
7                 section (g); and

8                 (2) by inserting after subsection (e) the fol-  
9                 lowing:

10                “**(f) MINIMUM REQUIREMENTS FOR STATE PRE-**  
11                **SCRIPTION DRUG MONITORING PROGRAMS.—**

12                “(1) IN GENERAL.—As a condition on receipt of  
13                a grant under this section, a State shall—

14                “(A) certify that the State has in effect a  
15                prescription drug monitoring program meeting  
16                the requirements of paragraph (2); or

17                “(B) agree to use a portion of the funds  
18                received through the grant to meet (or make  
19                progress in meeting) the requirements of para-  
20                graph (2).

21                “(2) REQUIREMENTS.—To meet the require-  
22                ments of this paragraph, a State’s prescription drug  
23                monitoring program must meet each of the fol-  
24                lowing:

25                “(A) The program complies with the uni-  
26                form electronic format specified by the Sec-

1                   retary under paragraph (3) for the reporting,  
2                   sharing, and disclosure of information.

3                   “(B) The program meets the standards of  
4                   interoperability specified by the Secretary under  
5                   paragraph (3).

6                   “(C) The State requires dispensers to re-  
7                   port to the program each dispensing in the  
8                   State of a controlled substance listed in sched-  
9                   ule II, III, or IV of section 202(c) of the Con-  
10                  trolled Substances Act (21 U.S.C. 812(c)) no  
11                  later than 1 business day after the controlled  
12                  substance is dispensed to the patient.

13                  “(D) The program makes reported infor-  
14                  mation available to practitioners on a timely  
15                  basis.

16                  “(3) UNIFORM ELECTRONIC FORMAT; INTER-  
17                  OPERABILITY.—

18                  “(A) ESTABLISHMENT.—Not later than  
19                  one year after the date of enactment of this  
20                  Act, the Secretary shall specify for prescription  
21                  drug monitoring programs—

22                  “(i) a uniform electronic format for  
23                  the reporting, sharing, and disclosure of  
24                  information; and

25                  “(ii) standards of interoperability.

1                 “(B) ADVISORY GROUP.—In carrying out  
2                 subparagraph (A), the Secretary shall—

3                         “(i) convene an advisory group of li-  
4                 censed and practicing community phar-  
5                 macists and other health practitioners who  
6                 prescribe and dispense; and

7                         “(ii) take the recommendations of  
8                 such advisory group into consideration.

9                 “(4) DEFINITIONS.—In this subsection:

10                 “(A) The term ‘controlled substance’ has  
11                 the meaning given to that term in section 102  
12                 of the Controlled Substances Act (21 U.S.C.  
13                 802).

14                 “(B) The term ‘dispenser’ means a person  
15                 licensed or otherwise authorized by a State to  
16                 deliver a prescription drug product to a patient  
17                 or an agent of the patient.

18                 “(C) The term ‘practitioner’ means a prac-  
19                 titioner registered under section 303(f) of the  
20                 Controlled Substances Act (21 U.S.C. 823(f))  
21                 to prescribe, administer, or dispense controlled  
22                 substances.

23                 “(D) The term ‘State’ means each of the  
24                 several States and the District of Columbia.”.
